

South Africa: National Anthem

Nkosi Sikelel' iAfrika
Maluphakanyisw' uphondo lwayo,
Yizwa imithandazo yethu,
Nkosi sikelela, thina lusapho lwayo

Morena boloka setjhaba sa heso,
O fedise dintwa le matshwenyeho,
O se boloke, O se boloke setjhaba sa heso,
Setjhaba sa South Afrika - South Afrika.

Uit die blou van onse hemel,
Uit die diepte van ons see,
Oor ons ewige gebergtes,
Waar die kranse antwoord gee,

Sounds the call to come together,
And united we shall stand,
Let us live and strive for freedom,
In South Africa our land.

The Internationale

Arise ye prisoners of starvation
Arise ye toilers of the earth
For reason thunders new creation
'Tis a better world in birth.
Never more traditions' chains shall bind us
Arise ye toilers no more in thrall
The earth shall rise on new foundations
We are but naught we shall be all.

Chorus

Then comrades, come rally
And the last fight let us face
The Internationale
Unites the human race.

The Internationale
Stand up, all victims of oppression,
For the tyrants fear your might!
Don't cling so hard to your possessions,
For you have nothing if you have no rights!
Let racist ignorance be ended,
For respect makes the empires fall!
Freedom is merely privilege extended,
Unless enjoyed by one and all.

So come brothers and sisters,
For the struggle carries on.
The Internationale
Unites the world in song.

Chorus

So comrades, come rally,
For this is the time and place!
The international ideal
Unites the human race.
Let no one build walls to divide us,
Walls of hatred nor walls of stone.
Come greet the dawn and stand beside us,
We'll live together or we'll die alone.
In our world poisoned by exploitation,
Those who have taken, now they must give!
And end the vanity of nations,
We've but one Earth on which to live.
So come brothers and sisters,
For the struggle carries on.
The Internationale
Unites the world in song.

Chorus

So comrades, come rally,
For this is the time and place!
The international ideal
Unites the human race.
And so begins the final drama,
In the streets and in the fields.
We stand unbowed before their armour,
We defy their guns and shields!
When we fight, provoked by their aggression,
Let us be inspired by life and love.
For though they offer us concessions,
Change will not come from above!
So come brothers and sisters,
For the struggle carries on.
The Internationale
Unites the world in song.

Chorus

So comrades, come rally,
For this is the time and place!
The Internationale
Unites the human race.

The Red Flag

The people's flag is deepest red,
It shrouded oft our martyred dead,
And ere their limbs grew stiff and cold,
Their hearts' blood dyed its ev'ry fold.

Then raise the scarlet standard high.
Within its shade we'll live and die,
Though cowards flinch and traitors sneer,
We'll keep the red flag flying here.

Look 'round, the Frenchman loves its blaze,
The sturdy German chants its praise,
In Moscow's vaults its hymns are sung
Chicago swells the surging throng.

Then raise the scarlet standard high.
Within its shade we'll live and die,
Though cowards flinch and traitors sneer,
We'll keep the red flag flying here.

It waved above our infant might,
When all ahead seemed dark as night;
It witnessed many a deed and vow,
We must not change its colour now.

Then raise the scarlet standard high.
Within its shade we'll live and die,
Though cowards flinch and traitors sneer,
We'll keep the red flag flying here.

It well recalls the triumphs past,
It gives the hope of peace at last;
The banner bright, the symbol plain,
Of human right and human gain.
Then raise the scarlet standard high.
Within its shade we'll live and die,
Though cowards flinch and traitors sneer,
We'll keep the red flag flying here.

It suits today the weak and base,
Whose minds are fixed on pelf and place
To cringe before the rich man's frown,
And haul the sacred emblem down.

Then raise the scarlet standard high.
Within its shade we'll live and die,
Though cowards flinch and traitors sneer,
We'll keep the red flag flying here.

With heads uncovered swear we all
To bear it onward till we fall;
Come dungeons dark or gallows grim,
This song shall be our parting hymn.

Then raise the scarlet standard high.
Within its shade we'll live and die,
Though cowards flinch and traitors sneer,
We'll keep the red flag flying here.

Solidarity Forever

When the union's inspiration through the workers' blood shall run
There can be no power greater anywhere beneath the sun
Yet what force on earth is weaker than the feeble strength of one
For the Union makes us strong

Chorus

Solidarity forever, solidarity forever
Solidarity forever
For the Union makes us strong

Is there aught we hold in common with the greedy parasite
Who would lash us into serfdom and would crush us with his might?
Is there anything left to us but to organize and fight?
For the union makes us strong

It is we who ploughed the prairies, built the cities where they trade
Dug the mines and built the workshops, endless miles of railroad laid
Now we stand outcast and starving 'mid the wonders we have made
But the union makes us strong

All the world that's owned by idle drones is ours and ours alone
We have laid the wide foundations, built it skyward stone by stone
It is ours, not to slave in, but to master and to own
While the union makes us strong

They have taken untold millions that they never toiled to earn
But without our brain and muscle not a single wheel can turn
We can break their haughty power gain our freedom when we learn
That the Union makes us strong

In our hands is placed a power greater than their hoarded gold
Greater than the might of armies magnified a thousandfold
We can bring to birth a new world from the ashes of the old
For the Union makes us strong

Amandla!
