

Voice of the Proletariat

District Publication

Dear Comrades:
Revolutionary Greetings
In this launching edition of our Revolutionary Publication my task is merely to pull the lever that

will set this great machine going. A huge responsibility rests upon all of us to advance the struggles of the poor and the working class.

All our cadres whatever their positions or ranks, are servants of the people and whatever we do is to serve the people. Our duties must be to hold ourselves responsible to the people. Whatever we say, do or resolve must be for the best interests of the people.

If we can do this then we indeed are serving our people. We must not forget that where and whenever we engage in the struggle there are sacrifices to be made. The social conditions on the ground and the nature of our struggles will at all times dictate to us the kind of sacrifices required from us as **“REVOLUTIONARIES AND**

COMRADES”.

These sacrifices requires often to tab into our time, personal resources and deep sense of commitment to the tasks at hand and even at times the ultimate sacrifice – **“OUR LIVES.”**

HOW MUCH ARE YOU PREPARED TO SACRIFICE FOR THE SACP IN SERVICE OF THE WORKING CLASS?

HOW FAR ARE YOU PREPARED TO GO?

The SACP in the Kimberley District is a vanguard for the entire working class and thus depends on all its cadres to make the necessary sacrifices. The SACP remains the only realistic and workable alternative that can bring real change in the lives of the proletariat. Our struggle for a just course must be unconditional.

Let us never walk away from the working class formations and their struggles. We are a party of the working class. Our future can only be **“SOCIALISM.”** Let us build it now.

ALUTA CONTINUA!!!
