District Publication

The Kimberley District have been honoured to have the Central Committee Member of the SACP, Cde Chris (Che) Matlhako, present for two programmes in the space of six days (26 Sept & 01 Oct 2015). The first programme was held in Delportshoop, Dikgatlong sub-district. The programme focussed on the life and times of a true revolutionary Che Guevara.

The second programme was held in Kimberley, Sol Plaatje sub-district. The programme was a very informative lecture on the historical alliance between the SACP and the ANC.

A public facility have been availed to the DEC, but due to unforeseen circumstances we found ourselves locked out and had to improvise in order to continue with the work of the revolution. A Cde willingly availed his own premises in order to continue with the programme as plan. Cde Che reiterated the words of Cde Oliver Tambo that “the alliance is not a paper alliance, created at conference tables and formalised through the signing of documents and representing only an agreement of leaders. Our alliance is a living organism that has grown out of the struggle.”
