PRESS RELEASE **23/01/2024**

1. Over the years, the **Hani family and specifically Chris Hani's family**, has acted with much restraint in relation to the name and/or legacy of **CHRIS THEMBISILE HANI**.
2. I have been compelled to depart from this tradition of restraint because of the events covered by **CITY PRESS** and **Radio 702** during recent times and their crass editorial standards, if any.
3. I am more than convinced that journalism in this beautiful country of ours, has not just gone to the dogs, but even the dogs certainly do not want it. An institution like SANEF must be ashamed of the appalling journalistic standards at both **CITY PRESS** and **Radio 702**, that is if there is any left at all.
4. **CITY PRESS** and **Radio 702**, have over the years continued to host and interview known and committed imposters and fraudsters officially known as **CLEOPATRA TUNYISWA; VANESSA PHINDIWE MADONSELA** and **NOSIPHO KHUMALO**, ostensibly being the daughters of the late **CHRIS THEMBISILE HANI**.
5. I proceed with much reluctance but to the benefit of all good standing South Africans, to release the true records of the Department of Home-Affairs related to the said known imposters herein, as an annexure hereto.

6. For the benefit of those South Africans who may not know, **in 1967 CHRIS THEMBISILE HANI and his brave comrades, were already fully consumed in the Wankie campaign** that is properly recorded for posterity.
7. Further, that given the above **serious task of national importance**, it was humanly impossible for **CHRIS THEMBISILE HANI** to have been already inside the then apartheid South Africa, to father any of the three (3) committed imposters including **the current 26 year old**, clearly born after his untimely death in **1993**.
8. These three (3) committed imposters and fraudsters have continued to work with fake characters calling themselves comrades.
9. One **Pumlani Kubekile's**, who was just a driver to **Chris Hani** after the latter's return to South Africa, role was limited to staying in the car and never was involved in **Chris Hani** intimate political activities. **Pumlani Kubekile** who apparently is the **MK PARTY convenor in the Eastern Cape**, in a statement in the **CITY PRESS** on the **21st January 2024**, is simply on a desperate attempt to gain political relevance at the expense of the rich legacy of **CHRIS THEMBISILE HANI**.
10. For the record, I challenge the said **Pumlani Kubekile**, to share with all good standing South Africans, the many incidents on which he personally stole **CHRIS HANI's personal bank-card and the many withdrawals he made in the middle of the many nights**.
11. **CHRIS THEMBISILE HANI, were he alive today, will never associate himself with corrupt; fraudsters; imposters and effective criminals** the **MK PARTY** appears to attract and/or associate with. His rich legacy must be protected and saved from these blood thirsty committed criminal elements.
12. **CHRIS HANI's** political discipline is accurately and properly documented in the history of the **AFRICAN NATIONAL CONGRESS (THE ANC)** and the **SACP (THE PARTY)** and does not need the corrupt/fraudsters and effective criminals to explain to all and sundry in that regard.

13. The MK PARTY and its members and/or agents, are specifically not allowed anywhere near the gravesite of CHRIS THEMBISILE HANI, nor is the said party allowed to use any symbols but not limited to pictures/names/apparels/insignia etc that CHRIS HANI stood for.
14. I stand by and support each and every word recorded by my nephew, MPHATHELI HANI, in a statement released on behalf of the HANI FAMILY related to the abuse and misuse of the said family.
15. For the record I, LIMPHO HANI, will not join and/or be associated with a political party that hosts and/or tolerates corrupt; fraudsters; imposters and/or effective criminals like the MK PARTY appears to do.

AT THE END

Investigation into claims by two individuals claiming to be daughters of your late husband Mr. Chris Hani.

Dear Mrs. Hani

The above has reference.

I write further to your request to my officials to investigate the status and authenticity of the claims made by Ms. Vanessa Phindiwe Hani and Cleopatra Tunyiswa that they are the daughters of your late husband. I am aware that this case was referred to the department on 1 June 2013 and attempts were made to deal with this matter as a criminal matter with Police. However the police matter was not able to proceed as they did not feel they had enough evidence to open a criminal case.

Regarding matters within the Department of Home Affairs our records on the two individuals mentioned above do not show that they are related to Mr. Chris Hani. This is based on documentary evidence they submitted to the department which does not indicate Mr. Chris Hani as their father.

I am therefore satisfied that the official departmental records of the two individuals Ms. Vanessa Phindiwe Hani and Ms. Cleopatra Tunyiswa are not supportive of their claims to be the daughters of Mr. Chris Hani.

I am nevertheless still investigating the matter further and will be contacting the two above named individuals to appear before the department to assist with further queries relating to this matter.

Thank you.

Kind Regards

Mkuseli Apleni

Director General
